

LYDFORD PARISH COUNCIL

Minutes of the Meeting

held on Tuesday 9th April 2019 at 7pm

Public Time

Two members of the public attended.

Concern was raised about the likely increase in traffic through Lydford due to the new housing development on the edge of Tavistock. The estate agent has advertised the route to the A30 as being through Lydford. It was felt that there was not much the Parish Council (PC) could do at present as this is a public road and motorists will discover the route regardless of any signposting. However, should any increase in traffic begin to cause issues, the PC will revisit solutions such as traffic calming measures

The PC was informed that the school is not in a position to build the MUGA using their PE budget and the money raised by the Playground Committee. It was decided that some of the funds will be retained by the PC for the maintenance and inspection of the playground and the remainder will be offered to village organisations on a matched funding basis for infrastructure projects.

Present

Cllrs Cook, Fowler, Skeaping, Moriarty, Squires and MacIntyre
